

The Alliance members have a chance to join with Garrett and Alexandra Conover and the Maine Wilderness Guides Organization to participate in a service project on the Waterway Oct 10-12. This service project is the result of the conflict that arose over the Conover's winter trip thru the Waterway last winter. By having the two groups join with the Conover's we hope to show solidarity with the Conover's and generate positive publicity for wilderness issues on the Waterway. I'm sorry for the last minute notice but the state had all summer to determine a date and they just worked it out this week!

Garret and Alexandra Conover will be organizing a group to work with Waterway Staff to turn Lost Popple Campsite into a usable site. Any member who is interested in helping out can contact the Conover's directly at **997-3723** for details. The general plan is to meet at the Umsaskis Ranger Station at noon time on Tuesday October 10.

Volunteers should bring their own food and camping equipment.
