

THE ALLAGASH

A Wilderness At Risk

The Allagash Alliance Group will premier their new 30 minute video, "A Wilderness At Risk." showing the outstanding character of the Allagash Wilderness Waterway. The film explains how the intent of the 1966 bond to "Develop the Maximum Wilderness Character" of the Allagash has been eroded through various public and governmental missteps.

For information, please contact the Allagash Alliance at 564-3667.
